Christina Orchid is a self-taught chef who has seduced customers with great food and fine service for decades on Orcas Island. With the help and support from her husband, Bruce, their welcoming table has been a singular destination for residents and tourists alike. She has traveled widely in France, Italy, Turkey and beyond bringing all of her experiences to bear in her everyday life here on Orcas. Come, experience her talent, inspired by her credo, "you are only as good as the last plate that goes out of your kitchen."
